1. Juergen BANDAU [] became a radio operator, CW monitor, auto mechanic, and driver in Section 230 after he EOD'd on 1 November 1948. He was traced in EGLA-9017, 19 May 1954 (resulting in no traces) and in EGMA-51807, 2 November 1960, (resulting in a BDC file forwarded in EGMA-66629, 7 December 1960). Since then, the only information on him is a UJDROWSY card indicating possible compromise as a staff employee.

2. Rudolf SIMBECK [] was traced in EGMA-51612, 19 October 1960, and EGMA-68042, 7 February 1966, (resulting in a BDC file and CR reply). There is no information on him subsequent to this correspondence.

3. There is no identifiable information on BREMER, GLUECK, or HARTH and no traces on the other Subjects of Reference.
